In the Spotlight!

Behavioral Health Resource Library

The Institute is expanding its resource library to include behavioral health resources. If you have behavioral health resources that you have found to be useful in your behavioral health integration work we would love to hear about them. Please take the survey linked below to provide your input. Thank you!

Oral Health Integration Pilot in an Oregon FQHC

Oral health is a key component of providing organized, Evidence-Based Care and Care Coordination in a Patient-Centered Medical Home (PCMH) practice. The benefits of delivering preventive oral health care in the primary care setting are numerous and impactful in addressing the existing prevention gap.

Check Out These Opportunities!

Battle of the Doctor Bands

JUNE 23, 2016 | Lola's Room at the Crystal

In Focused Acceptance & Commitment Therapy (FACT) we often mention to clients that their emotional pain is the flip side of their values. Instead of trying to avoid or eliminate painful feelings, we can explore them and learn what they say about us. We are only one week away from the FACT Workshop. [Registration is still open through the 11th.](#)
