An Opportunity to Learn

Most people I know who work in health care have a passion for seeing patients get the best outcomes, for helping them contain their costs, and for making sure that the quality of their health care is the best it can be.

Yet nowhere else have I seen people as actively passionate about what they do as I have working with [PCPCI](#).

About Us

Thank you for subscribing to the Patient-Centered Primary Care Institute newsletter. The Institute accelerates primary care transformation in Oregon by bringing together health care providers, clinic staff, technical experts, patients, quality improvement professionals and others to share valuable knowledge and resources. To learn more about our work, visit pcpci.org.

The Institute is a multi-stakeholder initiative managed by the Oregon Health Care Quality Corporation.
