OHA Revises PCPCH Clinic Recognition Model

The Patient-Centered Primary Care Home (PCPCH) Standards Advisory Committee has been convening since June 2015 to review the PCPCH model for the purpose of refinement and revision. The Standards Advisory Committee is preparing to conclude their work and a final report will be published early this year.

Institute Resource Orientation

JANUARY 26, 2016 | 8:30 AM PST

Are you new in your role supporting primary care home development? If so, please join us for one of our monthly resource orientation sessions so you are aware of the resources available to primary care practices and other stakeholders through the Patient-Centered Primary Care Institute website (pcpci.org). Sessions will be held the last Tuesday of every month. Click [here](#) to view the other dates and information needed to register.

**Check Out These Learning
Opportunities!**

On October 9th clinicians, staff and patients from four primary care practices in Hermiston and Pendleton joined the [Oregon Rural Practice-based Research Network \(ORPRN\)](#) for a day-long Eastern Oregon Care Coordination (EOCC) summit at the Pendleton Convention Center.

Participants identified local care coordination needs and explored best practices for managing referrals, transitions of care and medications in their practices.
