In the Spotlight!

CMS Announces the Regionally-based Comprehensive Primary Care Plus (CPC+) Model

CPC+ is an innovative, regionally-based, payment reform and care delivery model that rewards value and quality through an new payment structure in support of comprehensive primary care. Eligible practices within Oregon may apply to participate in CPC+ from August 1 - September 15, 2016. Learn more about the Oregon application process by watching our [recorded webinar](#). To learn more the general application process please visit the [CMS website](#).

You're Invited!

By the [Oregon Health Authority](#) to participate in a review of a DRAFT Disability Competent Care Tool for primary care/provider offices!

There are three ways to provide feedback

Focus Groups: There are two scheduled opportunities for online webinars via Go-To-Meeting. If you would like to participate in one of the focus groups, please e-mail Jennifer.B.Valentine@state.or.us and she will send you the appointment with call-in/weblink information for the focus group you want to participant in.

- **Focus Group A:** Tuesday, August 16th from 12:00 to 1:00 PM
- **Focus Group B:** Wednesday, August 17th from 7:00 to 8:00 AM

Survey Responses by Aug. 23rd: There is an online survey via SurveyMonkey available for those who would

Webinars

Identifying Children & Youth with Special Health Care Needs (CYSHCN)

SEPTEMBER 13, 2016 | 8:00 AM PST

Please join us for this webinar where OPIP will provide an overview of collaborative work that has been done with health systems and primary care practices to identify children that would benefit from care coordination, define methods to understand their care coordination needs, and outline processes by which the best child/family centered care coordination can occur.

Embarking upon the primary care transformation adventure can at times seem daunting but with the guidance of a primary care practice coach, the path to transformative care can seem less overwhelming. After the first 2016 training concluded, Q Corp and CareOregon had the opportunity to speak with training attendee Tammy Fisher, Senior Director at the [Center for Care Innovations](#).
