Q Corp Releases the 2015 Statewide Report

Q Corp is excited to announce the online release of the 2015 statewide report, [Information for a Healthy Oregon](#).

This report covers July 2013 through June 2014 and examines key quality metrics and information on Q Corp's Total Cost of Care methodology, the performance of Oregon's Patient-Centered Primary Care Homes and a preview of reporting from the Oregon Maternal Data Center.

Please join Q Corp staff for a virtual overview of the 2015 report. Program and analytical staff will share additional insights about the report contents and plans for Q Corp's work in the future.

The Oregon Center for Nursing: Supporting the Workforce

Nurses play an integral role in health care reform. Provider shortages throughout the nation have helped highlight the valuable, positive work in primary care that nurses

Webinars

Resource Orientation

OCTOBER 27, 2015 | 8:30AM PST

Are you new in your role supporting primary care home development? If so, please join us for one of our monthly orientation sessions so you are aware of the resources available to primary care practices and other stakeholders through the Patient-Centered Primary Care Institute website (pcpci.org). The next session is **October 27**; subsequent sessions will be held the last Tuesday of every month. Click [here](#) to view the other dates and information needed to register.

Tobacco Use: Identification, Intervention and Referral

NOVEMBER 18, 2015 | 8:00AM PST

Tobacco use remains the No. 1 preventable cause of death and disease in Oregon, killing 7000 people each year, and costing Oregonians \$2.5 billion a year in medical expenditures and lost productivity due to premature death. This webinar will explore and identify opportunities for increased patient participation in tobacco cessation through evidence-based interventions.

Are You a Change Agent?

I was fortunate to attend Be the Change: Strategies for Health Care Transformation on October 13, 2015. The meeting was a four-state, "Mega-Learning and Action Networks" event, hosted by [HealthInsight Quality Innovation Network-Quality Improvement Organization](#). The key takeaway? Health care transformation is not easy, but it is inevitable, and it is our responsibility to be agents of change.
